The Executive Engineer PWD SAMBA  
(Through DDC RAJPURA (Samba))

**Subject: - CONSTRUCTION OF DRAIN TO AVOID DAMAGE TO AGRICULTURAL LAND AND CROPS**

Respected Sir,

1. The applicant had submitted an Application to the Deputy Commissioner, Samba on 29-12-2022 on the above subject. The incumbent Deputy Commissioner had referred the application to your office on 08-02-22 for further action. Copy of my application is enclosed please.
2. Accordingly, your office had prepared the Estimate for Construction of PCC Drain on Link Road Mawa Camp. Photocopy of the said Estimate is enclosed for your ready reference.
3. Thereafter, despite lapse of more than one year and three months the work is yet to be taken up. In the absence of suitable drain for correct disposal of wastewater of Latrines, Kitchen, and bathrooms of households of Mawa Camp, the same is getting drained out on the Link Road. Due to which the road has been badly damaged. Further, due to impending Monsoon season the situation is likely to further aggravate, making the road unusable. It is therefore humbly requested that the work on the Drain be taken up at the earliest please.  
Thanking You

Date: - June 2023

Yours Faithfully
